POSTAL RATE COMMISSION  
OFFICE OF THE SECRETARY  
Docket No. R97-1

## NOTICE OF UNITED STATES POSTAL SERVICE OF FILING OF LIBRARY REFERENCE H-311 (December 1, 1997)

Pursuant to Presiding Officer's Ruling No. R97-1/62, the United States Postal Service hereby gives notice of the filing of the following library reference:

H-311 Materials Produced Pursuant To Presiding Officer's Ruling  
No. R97-1/62

This library reference contains information produced under protective conditions set out in Ruling No. R97-1/62, which govern access to it. Only the copy filed with the Commission will contain this information, and all qualified persons seeking access to this information must seek access through the appropriate Commission procedures.

The Postal Service notes that on November 26, 1997, Emery Worldwide requested clarification of Ruling No. R97-1/62, seeking the explicit establishment of notification procedures prior to any grant of access. The Postal Service is sympathetic to and supportive of Emery's request, which seem reasonably calculated to carry out the intent of the protective conditions. Furthermore, since a ruling on the Emery request can be expected to be forthcoming, and an additional short delay of little negative consequence, the Postal Service respectfully asks that

the granting of any application for access be deferred until resolution of the Emery request.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:
